

U.S. 97 Madras South Y Project City of Madras and ODOT Open House

Tuesday, May 25th, 2010 from 4:00-7:00 p.m.
Jefferson County Fire District #1 Fire Hall
765 South Adams Drive, Madras

SOUTH Y MASTER PLAN

The City of Madras and the Oregon Department of Transportation invite the public to attend an Open House to review the preliminary design for safety and operational improvements to the intersections of U.S. 97 and J Street in Madras.

During the evaluation of these intersections, the Project Development Team developed a broader *Master Plan* that addresses long term needs as well as enhancements for the southern end of the Madras couplet. The Team continues to refine details around that Master Plan, but the realignment of northbound U.S. 97 and the operational improvements at the U.S. 97 / J Street intersections are still the core issues the upcoming project must address. Come and learn more about the project's status.

Formal presentations are not planned so you may arrive anytime between 4:00 and 7:00 p.m. The open house will be an informal setting to allow one-on-one exchanges between citizens and representatives from both ODOT and the City of Madras.

For more information visit:
